JAPANESE BEER

650 ML

Japanese beer, while produced in a similar way to other beers, has several distinct characteristics such as the use of rice as, as well, at times of more exotic ingredients. It is also brewed in a way that ensures a generous amount of foam is produced on top of the beer.

KIRIN ICHIBAN MALT CUVEÉ DE LUXE

One of "the big four" Japanese beer is loved for its balanced taste with subtle malt sweetness and a crisp, clean finish, and its aroma reminiscent of grains and hops.

KIRIN LIGHT 95 CAL

Is a Japanese-style light pilsner with a surprisingly smooth and full-bodied taste. With only 95 calories and a surprisingly full-bodied taste, is one of the world's finest light beers.

ORION

With light and crisp taste is the most widely consumed beer in Okinawa
